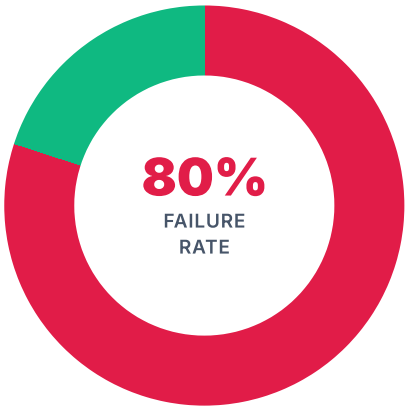
1 The Bureaucratic Nightmare

Austrian universities operate a zero-tolerance admissions process. Every document must be verified, stamped, and apostilled through the exact correct chain of government bodies.

80%

FAIL ON PAPERWORK ERRORS

- One missing stamp triggers **immediate rejection**
- A single error causes a **6-month delay** — you miss the intake
- Most consultants hand you a checklist and disappear
- Nepali-specific legalization is a 4-step chain — not optional



- Fail due to Paperwork Errors — 80%
- Successful Processing — 20%
